INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Feeding Texas
Austin, Texas

Report on the Financial Statements

We have audited the accompanying financial statements of Feeding Texas, which comprise the statements of financial position as of September 30, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Feeding Texas as of September 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Expenditures of Federal and State Awards, as required by the audit requirements of Subpart F Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the *State of Texas Single Audit Circular*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 7, 2020, on our consideration of Feeding Texas' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Feeding Texas' internal control over financial reporting and compliance.

Austin, Texas

FEEDING TEXAS
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED SEPTEMBER 30, 2019 AND 2018

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization. Feeding Texas is a non-profit organization formed to provide a unified voice among and in support of our common mission to end hunger in Texas. Feeding Texas is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

Feeding Texas places major emphasis on facilitating coordination of statewide resources to benefit food banks, promoting communication and interaction among members, acting as a liaison with state agencies on issues that impact food banking, providing education and training programs on issues of hunger and food banking, developing and creating new resources for food and funds, and assisting with community-based outreach and application assistance in connection with state sponsored assistance programs.

Feeding Texas contracts with the Texas Health and Human Services Commission (HHSC) to provide application assistance to individuals that are potentially eligible for HHSC social service programs and for supplemental nutrition assistance program education.

Feeding Texas contracts with the Texas Department of Agriculture (TDA) for the distribution of surplus agricultural products through member food banks to serve needy or low-income individuals.

Basis of Presentation. The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Feeding Texas and changes therein are classified and reported as follows:

Net assets without donor restrictions — Net assets that are not subject to donor-imposed stipulations.

Net assets with donor restrictions — Net assets subject to donor-imposed stipulations that may or will be met, either by actions of Feeding Texas or the passage of time. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Net assets with donor restrictions in perpetuity stipulations are also included in this class. Generally, the donors of assets in perpetuity stipulations permit Feeding Texas to use all or part of the income earned on any related investments for general or specific purposes. Feeding Texas had no net assets restricted in perpetuity at September 30, 2019 and 2018.

Cash Equivalents. Feeding Texas considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Accounts and Grants Receivable. Feeding Texas considers all recorded accounts and grants to be fully collectible. Accordingly, no allowance for doubtful accounts is required.

FEEDING TEXAS
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED SEPTEMBER 30, 2019 AND 2018

**NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES -
CONTINUED**

Property and Equipment. Feeding Texas capitalizes all expenditures for property and equipment in excess of \$5,000 having a useful life of more than one year. Depreciation on property and equipment is provided using the straight-line method over estimated useful lives of the respective assets, ranging from 3 to 5 years. Repairs and maintenance are charged to expense as incurred. Assets retired from service during the year are charged against their accumulated depreciation account and removed from the fixed asset records. If the asset is not fully depreciated the residual asset balance is charged to depreciation expense for the current year. Upon sale or other disposition of assets, the costs and related accumulated depreciation are removed from the accounts and the resulting gain or loss, if any, is reflected as an increase or decrease in net assets without donor restrictions.

Revenue Recognition. In accordance with the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 958-605, *Revenue Recognition*, funds received from federal, state, and local governments for grants that are conditioned upon Feeding Texas incurring certain qualifying costs are considered to be exchange transactions and therefore are recognized as revenue as those costs are incurred. Contract revenues are recognized as services are performed. Revenue is deferred for funds received from grantor agencies which have not been spent on qualifying purposes.

Membership dues are calculated and prorated based upon the total pounds of food distributed in the member's area for the previous year. These dues are used to supplement the budget needs of Feeding Texas during any given year.

Donations. Donated materials and services, meeting the requirements for recognition, are reflected as contributions in the accompanying financial statements at their estimated values at the date of receipt. Feeding Texas received fresh produce with a fair value of \$0 and \$136,444 during the years ended September 30, 2019 and 2018, respectively.

Recognition of Donor Restrictions. Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Contributions without donor restrictions are recorded as an increase in net assets without donor restrictions in the period in which the notice of unconditional promise to give is received.

Contributions or grants, which contain a donor-imposed restriction or a stipulation that the contribution cannot be used until a future period, are recorded as contributions with donor restrictions. Contributions, which are restricted with respect to the expenditure of the funds, are recorded as increases in net assets with donor restrictions available in the period in which the notice of the contribution is received. Net assets with donor restrictions are reclassified to net assets without donor restrictions in the period in which the use restriction has been met or the time restriction lapses.

FEEDING TEXAS
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED SEPTEMBER 30, 2019 AND 2018

**NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES -
CONTINUED**

Concentration of Risk. Revenue to support Feeding Texas' programs is derived primarily from contracts, grants, donations and membership dues. During the year ended September 30, 2019, Feeding Texas earned revenues from grants and contracts totaling \$15,720,169, or approximately 92%, of total revenues for the year from state governmental agencies. During the year ended September 30, 2018, Feeding Texas earned grants and contracts totaling \$15,721,796, or approximately 62%, of total revenues for the year from state governmental agencies.

During the years ended September 30, 2019 and 2018, Feeding Texas' deposits at its bank occasionally exceeded federal deposit insurance limits (FDIC). The FDIC insures deposits up to \$250,000 per financial institution. The excess above \$250,000 is only backed by the soundness of the financial institution. Management believes the risk of incurring material losses related to this credit risk is remote. The uninsured balance was \$529,317 as of September 30, 2019.

Federal Income Taxes. Feeding Texas is exempt from federal income taxes under Internal Revenue Code Section 501(c)(3) and is classified as a nonprofit organization. Accordingly, no provision for income taxes has been made in the financial statements. Taxes are paid on net income earned from sources unrelated to the exempt purposes. There was no net income from unrelated business income for the years ended September 30, 2019 and 2018.

Feeding Texas has adopted FASB ASC 740, *Accounting for Uncertainty in Income Tax*. The benefit of a tax position is recognized in the financial statements in the period during which, based on all available evidence, management believes it is more likely than not that the positions will be sustained upon examination, including the resolution of appeals or litigation processes, if any. Tax positions that meet the more-likely-than-not recognition threshold are measured as the largest amount of tax benefit that is more than 50% likely of being realized upon settlement with the applicable taxing authority. As of September 30, 2019, Feeding Texas has not recognized liabilities for uncertain tax positions or associated interest and penalties.

Feeding Texas' tax returns are subject to review and examination by federal and state authorities. Tax returns are open for examination by these authorities for three years from the due date of the return or the date actually filed. As of September 30, 2019, the tax return years open for examination include tax years ended September 30, 2016, and after.

Functional Allocation of Expenses. The costs of providing program, fundraising and supporting services have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting activities benefited.

FEEDING TEXAS
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED SEPTEMBER 30, 2019 AND 2018

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Functional Allocation of Expenses - Continued. Occupancy costs are calculated on the basis of square footage. Staff compensation, fees for service, office expense, and information technology are allocated based on the time and effort of employees. Advertising, travel, conferences and meetings, and all other expenses are directly allocated based on the specific purchases.

Use of Estimates and Assumptions. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements as well as the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Recently Issued Accounting Pronouncements. On August 18, 2016, FASB issued ASU 2016-14, *Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities*. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. Feeding Texas has adjusted the presentation of these statements accordingly. The ASU has been applied retrospectively to all periods presented.

Subsequent Events. Management of Feeding Texas has evaluated subsequent events for disclosure through the date of the Independent Auditors' Report, the date the financial statements were available to be issued.

NOTE 2 - PROPERTY AND EQUIPMENT

The major classes of property and equipment held as of September 30, were:

	2019	2018
Furniture & Equipment	\$ 77,470	\$ 55,470
	77,470	55,470
Accumulated Depreciation	(24,103)	(9,986)
	\$ 53,367	\$ 45,484

Depreciation expense for the years ended September 30, 2019 and 2018, was \$14,117 and 3,102, respectively.

FEEDING TEXAS
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED SEPTEMBER 30, 2019 AND 2018

NOTE 3 - LINE OF CREDIT

Feeding Texas has a \$300,000 line of credit with its primary banking institution. The line bears interest at 1.63% above the bank's prime rate. The line matures March 1, 2020. There were no outstanding balances on the line at September 30, 2019 or 2018.

NOTE 4 - REFUNDABLE ADVANCE

Feeding Texas received a Texas Department of Agriculture grant which included \$1,800,000 refundable grant provisions for the bi-annual grant period October 1, 2017 through September 30, 2019. The advances are made against future allowable expenses incurred by Feeding Texas and is to be used by Feeding Texas to meet its working capital needs for daily operations. At September 30, 2019 and 2018, the balance of the refundable advance was \$46,541 and \$900,000, respectively.

NOTE 5 - EMPLOYEE BENEFIT PLAN

Feeding Texas has a 403(b) contributory benefit plan, which covers all employees. Feeding Texas makes discretionary contributions of 5% of the employee's eligible base salary. In addition, Feeding Texas matches employee contributions up to 2.5% of salary. Feeding Texas made contributions to the plan of \$89,097 and \$81,886 for the years ended September 30, 2019 and 2018, respectively.

NOTE 6 - OPERATING LEASE

Feeding Texas leases its office facilities under a non-cancelable operating lease. The lease was amended on February 1, 2018, to expand the rented square feet and expires on July 31, 2022. Lease expense for the years ended September 30, 2019 and 2018, was \$144,055 and \$119,034 respectively, and is allocated among program services, management and general, and fundraising expenses.

The following is a schedule by year of minimum future rentals on this noncancelable operating lease:

Years ending September 30:	
2020	\$ 141,446
2021	156,811
2022	<u>132,650</u>
	<u><u>\$ 430,907</u></u>

	<u>\$ 2,300,977</u>	<u>\$5,963,591</u>	<u>\$ (8,056,247)</u>	<u>\$ 208,321</u>

NOTE 8 - DISCONTINUED OPERATIONS

Effective August 1, 2018, Feeding Texas discontinued the Collaborative Fresh Produce program. This program has been split out into its own entity, Collaborative for Fresh Produce, for future operations.

NOTE 9 - RELATED PARTY TRANSACTIONS

During the year ended September 30, 2019, Feeding Texas provided \$4,667,695 in pass-through grant funding and contributions to a related party, Collaborative for Fresh Produce, of which the CEO of Feeding Texas serves as treasurer.

FEEDING TEXAS
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED SEPTEMBER 30, 2019 AND 2018

NOTE 10 - LIQUIDITY AND AVAILABILITY

The table below presents financial assets available for general expenditures within one year at September 30, 2019 and 2018:

Financial assets at year end:	2019	2018
Cash and cash equivalents	\$ 828,807	\$ 1,704,964
Accounts and grants receivable	2,813,773	3,035,274
	<u>3,642,580</u>	<u>4,740,238</u>
Less amounts not available to be used within one year:		
Net assets with donor restrictions	227,700	208,321
	<u>227,700</u>	<u>208,321</u>
Financial assets available to meet general expenditures within one year	<u>\$ 3,414,880</u>	<u>\$ 4,531,917</u>

Feeding Texas has financial assets available to meet general expenditures within one year. Feeding Texas anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources. Feeding Texas regularly monitors cash as a measure of liquidity required to meet its operating needs and other contractual commitments. Feeding Texas' source of liquidity is cash and cash equivalents. Expenditures for Feeding Texas are only made based on available funds. Feeding Texas also has a line of credit available if needed.

FEDERAL AND STATE COMPLIANCE SECTION

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS* AND
*UNIFORM GRANT MANAGEMENT STANDARDS***

To the Board of Directors
Feeding Texas
Austin, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and *Uniform Grant Management Standard* issued by the Governor's Office of Budget and Planning, the financial statements of Feeding Texas, (the Organization) which comprise the statement of financial position as of September 30, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 7, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* and *Uniform Grant Management Standards*, issued by the Governor's Office of Budget and Planning in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH
REQUIREMENTS THAT COULD HAVE A DIRECT AND MATERIAL
EFFECT ON EACH MAJOR PROGRAM AND ON INTERNAL
CONTROL OVER COMPLIANCE IN ACCORDANCE WITH UNIFORM GUIDANCE
AND THE *STATE OF TEXAS SINGLE AUDIT CIRCULAR***

To the Board of Directors
Feeding Texas
Austin, Texas

Report on Compliance for Each Major Federal and State Program

We have audited Feeding Texas' (the Organization) compliance with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Compliance Supplement* and the *State of Texas Single Audit Circular* that could have a direct and material effect on each of the Organization's major federal and state programs for the year ended September 30, 2019. The Organization's federal and state programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its state programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal and state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Subpart F Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, Audit Requirements of Federal Awards (Uniform Guidance) and the *State of Texas Single Audit Circular*. Those standards, and Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal or state program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal and state program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major State Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for the year ended September 30, 2019.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal or state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal or state program and to test and report on internal control over compliance in accordance with Subpart F Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards* (Uniform Guidance) and the *State of Texas Single Audit Circular*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies, and therefore, material weaknesses or significant deficiencies may exist that are not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance and the *State of Texas Single Audit Circular*. Accordingly, this report is not suitable for any other purpose.
